

Aircraft Sales

Local Presence, Global Reach.

Meet Us

Hawker Pacific's multi-award winning sales team has over 30 years of professional know how to give you the ultimate experience in business and private aviation. Whether you need an aircraft for personal or business use, we will assist you with quality pre-sale through post-sale support. Our expert team and dedicated support staff exceeds customer expectations with our combined expertise, professionalism and dedication.

Local Presence, Global Reach

Aircraft Sales Group has expanded to meet growing demands of our clients internationally. With sales offices throughout Australia and the Asia Pacific, and a network of international alliances, Hawker Pacific offers total service and uncompromising attention wherever you call home.

Integrated Aviation Solutions

We are in the business of supplying the very best air transport solutions and tailoring these solutions to meet the exact needs of each and every customer. This includes complete management of your aviation needs from original supply through to full support, modifications, to eventual re-marketing, trade-in or upgrade.

We Represent the Best

Hawker Pacific maintains an excellent inventory of new and pre-owned aircraft from single engine aircraft to prestige corporate jets. Representing leading aircraft manufacturers, **Hawker Beechcraft Corporation** and **Dassault Falcon Jet**, the company offers a wide variety of fixed wing aircraft, from sophisticated business jets to high end luxury aircraft. The company is also a representative for **Bell Helicopter Textron** with its wide range of commercial and military aircraft.

Customers include Defence Forces, Airlines, Charter Operators, Government Agencies and Special Mission Operations.

Representing World Class Aircraft Manufacturers.
